

ROOSEVELT FILM TO BE SHOWN HERE WITH BIG CAMPBELL MEET

Movies of 'Teddy' While visiting Phoenix, the Roosevelt dam, and one of Hughes, to accompany Campbell on trip.

Depicting Colonel Roosevelt, in his various attitudes while in Phoenix on October 21, a film has been secured by the state Republican Central Committee which will be shown here next Monday evening on the occasion of the last visit here, before election, of Tom Campbell.

The film shows Roosevelt at his best. It carries the subject from the time he alights from his train at the Phoenix depot, his meeting with his old comrades, the Rough Riders of the state of Arizona, his appearance in the street parade which followed, the crowd which heard him speak and the Colonel, himself, in action. In addition the film has about 300 feet of views of the mammoth Roosevelt dam in flood time.

Charles E. Hughes, Republican candidate for the presidency, is also in the film. Pictures of the former justice during the present campaign, in various parts of the country, are rich in color and show the great crowds which have met the New Yorker in his tours throughout the country.

NATIONAL BASEBALL COMMISSION PLANS TO OUST HERMANN

Too Much National League, Say Critics—Ban Johnson Admits Change Will Be Made, But Denies Hermann Goes.

(By Review Leased Wire.)
CHICAGO, Nov. 1.—President B. B. Johnson of the American league, in a statement tonight admitted that there probably would be a change in the complexion of the national baseball commission. The statement was issued after two afternoon newspapers had quoted Mr. Johnson as saying that August Hermann, chairman of the commission, would be deposed. Immediate denial of the statement was made. President Johnson, however, announced that certain club owners of the American league are opposed to "too much" National League in the composition of the national commission.

Mr. Hermann is president of the Cincinnati club of the National league and has been chairman of the national commission since the formation of the body under agreement of the National and American leagues. He was in conference with President Johnson here last week regarding questions involving the commission.

The commission is made up of Johnson, Hermann and John K. Tener, president of the National league.

WARREN DISTRICT KIDS ARE INVITED TO JOIN IN BIG CONTEST FOR TICKETS WHICH WILL ADMIT THEM TO BARNES' BIG CIRCUS

Spelling Contest Will Be Staged by The Review and Prizes Will Be Given for the Twenty-Five Best Answers—Read the Conditions of This Contest and Make Out a Coupon and Send It Into the Contest Editor—You May Win a Prize.

Whew-e-e, Kids!
How would you like to win tickets to the Al. G. Barnes Big Four Ring Wild Animal Circus, the most marvelous circus in the world, where lions and bears and tigers and leopards, and the funniest little monkeys and dogs ride horses?

Of course you want to win some of these tickets, and The Review is going to help you do it.
Now read this carefully, every word of it, and then get your pencil, ask Papa or Mamma or Teacher to help you, and get busy.

The Barnes Circus, with wild animals doing all the things that humans used to do in circuses, is coming to Bisbee on Nov. 11. It will come into town on two railroad trains of cars, double length. It will unload hundreds of the most beautiful animal cages, band wagons, calliopes and banners, and at 10:30 o'clock a. m. it will give the most glittering parade a mile long, that was ever seen in Bisbee.

At 2 o'clock the circus opens with the grand pageant in which the 1000 animals, 150 trainers, 506 attendants, 6 bands, the 40 clown animals, including the cutest little baby elephant only two weeks old and his proud mamma; "Holy Moses," the rare black camel, the 20 funny pigs, the 550 beautiful, prancing ponies and marching horses will participate.

Following this will come 65 of the most amazing, death-defying, science-upsetting, side-splitting, heart-thrilling acts and features by wild animals handled by handsome men and beautiful women you ever saw in your life, or will ever see so long as circuses are.

Not a word, not an act, not an incident that is not of the most fastidious refinement.

Conditions of Contest
Here are the conditions of the big contest The Review is conducting for boys and girls under 15 years of age.

Free tickets to the Al. G. Barnes Big Four Ring Wild Animal Circus which will exhibit in Bisbee will be given the winners.

The letters contained in the sentence, "Al. G. Barnes Wild Animal Circus Prize Contest" are to be used in spelling the names of wild animals.

There are 18 different letters of the alphabet in the sentence and each letter may be used as often as necessary in one name.

Names of domestic animals, such as horse, dog, cow and cat, are not allowed by The Review Contest Editor. Lists are to be plainly written on one side of the paper and numbered.

The names of the animals must be correctly spelled and the lists be accompanied by a coupon slipped from The Review. Any boy or girl in Bisbee and vicinity, 15 years or under, may compete in this contest and winners must appear at the Review office at a date to be announced later, and receive their tickets. That great wizard of animal educators, Mr. Al. G. Barnes himself, will be at The Review office to distribute prizes and you will have a chance to shake hands with this wonderful man who pets lions and tigers and who makes the wild animal his friend and pupil.

The Prizes are awarded according to the longest correct list.

1st Prize—Six reserved seat tickets to the circus.

2nd Prize—Four reserved seat tickets to the circus.

3rd Prize—Three reserved seat tickets to the circus.

4th Prize—Two reserved seat tickets to the circus.

5th Prize—Two general admission tickets to the circus.

Next Eighteen Prizes—One general admission ticket each to the circus.

All prizes are good for either afternoon or evening performances.

So thirty-five boys and girls in Bisbee may see the circus free.

UNDEFEATED SAN FRANCISCO WRESTLER WILL MEET CHAMPION ON MONDAY NIGHT

What promises to be the best wrestling match Bisbee has seen in years was last night slated for the Old Opera House Monday night between Peter Buzukos, champion welterweight wrestler of the world, and E. Heino, for years San Francisco's pride, a youth who has something over a dozen medal awards for his wrestling.

Heino takes the place of Charles Goodrich, who was to meet the Greek, but who was eliminated by a dislocated shoulder, suffered Tuesday night.

If there is any man in the camp who looks like he can take the measure of Buzukos, it's Heino. The fellow was the best lightweight ever to wear the ribbons of the Olympic club in San Francisco. San Franciscans have never seen the youngster thrown, and he says his shoulders have never been pinned to the mat by a man of his own, lightweight division.

Heino is a new-comer to Bisbee, coming here directly from the Coast four weeks ago. Together with Keane, he has opened a tailoring establishment in Johnson Addition.

Monday night before the match he expects to weight in at 138 pounds, about seven pounds lighter than the champion.

In his match Monday night, Buzukos agrees to throw the Finn two times within an hour or forfeit a side bet of \$400. Good preliminaries have been arranged to precede the main event.

MARSHALL POINTS TO LEGISLATION CHOCKED FROM T. R.

PHILADELPHIA, Nov. 1.—Vice President Thomas R. Marshall and former Congressman A. Mitchell Palmer were the principal speakers at a Democratic rally here tonight. The vice president declared that "this country must face new conditions in which the people shall say whether they will have the disputes of classes settled peacefully or by the costly struggles which have marked such difficulties in the past."

"If there is nothing radically wrong," he asked, "in the United States Steel Corporation coming to Theo. Roosevelt as president and getting advance pardon for violation of the Sherman anti-trust law in absorbing the Tennessee Iron and Coal Company, and if there was nothing wrong in the Wool interests of the country forcing into the Republican tariff law what Mr. Taft in his administration, characterized as the 'infamous schedule K' is there anything so terribly wrong in the workingman of this country going to Washington and choking a little justice out of the railroads?"

sumption, but upon conclusive evidence because the responsibility cannot be avoided or lessened by a standard of evidence which a belligerent may announce as creating a presumption of a hostile character. The belligerent should in the absence of conclusive evidence act on the presumption that an armed merchantman is of a peaceful character.

"A presumption based solely on the presence of armament is not a sufficient reason for a belligerent to declare it to be a warship and proceed to attack it without regard to the rights of persons on board. Conclusive evidence of a purpose to use the armament for aggression is essential. A belligerent warship can, on the high seas, test by actual experience the purpose of an armament on an enemy merchant vessel, and so determine by direct evidence the status of the vessel."

If the case narrows down to a question of armament, the outcome would appear to hinge upon whether the Marina resisted the submarine or attempted to flee. The mere question of armament for defensive purposes, such as is usual on merchant ships, would seem to be eliminated so far as the United States is concerned.

Mr. Lansing announced today that the United States stood on the same ground it took in the Sussex note which warned Germany that unless attacks without warning on merchant

ships were discontinued, the United States would have no choice but to sever diplomatic relations.

Those who suspect the case may take such a turn regard the possibility as an evidence of threatened widening of the scope of submarine warfare.

While the situation at this stage gives no outward evidence of the tension which attended the several submarine crises in the last two years, no attempt is made to disguise the possibility that it may develop a situation of utmost gravity. Until all the facts are gathered and substantiated by legal advice and until Germany's version of the affair is at hand, it is doubtful if the state department will permit any of the developments to become public. When the case is complete the ultimate decision will rest with President Wilson.

FRANCE TAKES HAND IN STREET CAR STRIKE

(By Review Leased Wire.)
PARIS, Nov. 1.—The government has decided to intervene in the strike of the suburban street railway employees which began last week. The measure is general in character and will confer large powers on the government. The strike threatens to spread to other transportation services.

MARINA WAS ARMED WHEN SUNK BY SUB

(Continued from Page 1)
the point on which the case will revolve unless other circumstances arise clearly to define other issues. It brings the submarine question back to a point where Germany and the United States have held opposite views. Germany has steadfastly contended that in view of the novel conditions surrounding submarine warfare and in view of the British admiralty's alleged instruction to merchant captains to destroy enemy submarines they were in danger of destruction on sight.

Where U. S. Stands
The position of the United States was clearly defined to all the belligerents in the formal memorandum of March 25, 1916. Some of the significant sentences follow:
"It is necessary for a belligerent warship to determine the status of an unarmed merchant ship encountered on the high seas.
"The determination of warlike character must rest in no case upon pre-
